29<sup>th</sup> Jan 1972

Dear Sir,

We left a MITRE

PERMAWHITE ball as a complaint  
in December. (faulty valve)

It was left by a 14 year old boy  
(ROBERT BANNISTER) who tells me  
he got no receipt or ticket.

3 weeks ago two boys called in  
for it and were told that it was  
not ready.

Due to ill health I have been  
unable to call personally for it.

This morning I sent the team  
captain (GORDON HICKS) and an other  
boy to collect the ball, I was  
disappointed when they returned saying  
you refused to give them it without a ticket.  
Please give back the ball

I trust this is in order

Yours faithfully  
George A. Walker.

Dear Mr. McNeill,

For some time now the secretary of your under 15 team has been giving us the impression that he was wanting to play us either home or away but although he has talked of arranging a game he has failed to confirm it with us.

The reason I am writing to you is that you know how I have phoned your house on a Friday evening or Saturday morning to find that there was no game.

Your under 15 Secretary has given the impression to the League Secretary that we are unwilling to play, which I think is unfair and untrue.

I have been inconvenienced twice, which meant a lot of phoning and running about.

I trust you understand how we feel.  
Best wishes. George A. Jackson.
